

X-SCRUB Rider 32

- » Easy to use, intuitive controls.
- » Minimize slip-and-fall injuries with exceptional water recovery.

BENEFIT SUMMARY

- 1 Soft yet durable drivers seat with beverage holder.
- 2 "The One-Touch Knob" - Allows the brushes to power on, water to flow, squeegee to drop down, and the vacuum to power on. When finished it does everything above, in reverse.
- 3 Aluminum squeegee frame and stainless steel squeegee straps.
- 4 Magnetic hub design makes it easy to change out pads/brushes with no tools required.
- 5 Powerful, front traction motor hub to easily navigate in and out of tight spaces.
- 6 LED running light.

BENEFIT SUMMARY

- ➔ Ditch the manual cleaning methods that lack the precision and perfection of newer technologies.
- ➔ No more murky water spreads dirt over large areas, takes forever to dry.
- ➔ Quickly cover more ground while the operator rests their legs
- ➔ Helps cut down on worker fatigue.
- ➔ Easily and quickly change out brushes and pads with the magnetic hub.
- ➔ Steering the machine from up top, the operator won't leave footprints on the clean floor or risk slipping on a wet surface.

SPECIFICATIONS

Model	X-Scrub Rider 32	Brush Diameter	2 at 16 Inches each
Solution Capacity	34 Gallons	Squeegee Width	47 Inches
Recovery Capacity	37 Gallons	Cleaning Path	32 Inches
